When you think of homeless, what picture comes to mind?

How FPLH works in Humble, Atascocita, Kingwood, Porter and Huffman...

Family Promise of Lake Houston has taken the first step - bringing service agencies and local volunteers together to provide basic needs (regardless of race or religion). We tailor success plans for each family including financial, career and educational goals. By diligently implementing their plan, our families become self-sufficient. We have an 83% success rate!

FPLH facilitates the programs and services that our families need to re-enter the community:

- Provide temporary overnight shelter and meals for up to 120 days.
- Classes in Life Skills, Budgeting, Fast-Track GED and Parenting
- Access higher Education and Employment Training Programs
- Provide After-Care program for continued mentoring for two years

How it works...

Host Congregation

Four times per year, for one week at a time, each host congregation provides overnight lodging, meals and hospitality for up to three families (no more than 14 people) from 5:00 p.m. until morning.

Volunteers

Volunteers are the lifeblood of the program, without them Family Promise would not work. This is an excellent opportunity for the whole family to work together in helping and serving others.

Life Skills Center

Each day the guests are brought to our Life Skills Center which provides a homelike atmosphere for our guests from morning until 5:00 p.m. The FPLH director's office is located there as well. Guests who are employed go to work. Other guests work with the director to find jobs and housing. The Life Skills Center has showers and laundry facilities for the guests to use.
