### **Join Us!**

Embrace our client families and find yourself changed and inspired by their focus and tenacity. Together we have the power to restore families to self-sufficiency and to put an end to homelessness in our community.

**Together, we have the POWER to end homelessness in our community!**

The reality is....

- **12%** of all families in the United States are only TWO paychecks away from being homeless.
- Families with children are the fastest growing segment of the homeless population (**40%**).
- There are **935-1100** homeless families in our local area alone.
- In one year, FPLH provides programs and resources to **125+** families. More than HALF our participants are **under 5 years old!**

## How FPLH works in Humble, Atascocita, Kingwood, Porter and Huffman...

Family Promise of Lake Houston has taken the first step - bringing service agencies and local volunteers together to provide basic needs (regardless of race or religion). We tailor success plans for each family including financial, education, and career goals. By diligently implementing their plan, our families are able to achieve lasting independence. We have an 85% rate of success!

FPLH facilitates the programs and services that our families need to re-enter the community:

- Provide temporary overnight shelter and meals for up to 120 days
- Classes in Life Skills, Budgeting, Fast-Track, GED and Parenting
- Access higher Education and Employment Training Programs
- Provide After-Care program for continued mentoring for two years

## How it works....

### Host Congregation-

Four times per year, for one week at a time, each host congregation provides overnight lodging, meals and hospitality for up to three families (no more than 14 people) from 5:00 p.m. until morning.

### Volunteers-

Volunteers are the lifeblood of the program, FPLH relies on the dedication of our volunteers to make this program work! This is an excellent opportunity for the whole family to work together in helping and serving others.

### Life Skills Center-

Each day the guest are brought to our Day Center which provides a homelike atmosphere for our guests from morning until 5:00 p.m..

The FPLH director and program coordinator office there as well. Guests go to work or education programs or are working with staff to develop and accomplish their goals. The Day Center has showers, kitchen, laundry, and computer/ office facilities for the guests to use.
